

## הלכה of the Week

~ שמירת הלשון ~

לשון הרע  
to a Group of People

You are forbidden to speak לשון הרע either to a single individual or to a group. The larger the group that hears your לשון הרע the worse your sin, since the victim of your words will be seen in a negative way by all of those people. Furthermore, a larger number of people have sinned through hearing your לשון הרע.

*Mr. Greenfield delivered a speech to a large crowd and in his speech he mentioned a few of Mr. Levine's faults. The size of Mr. Greenfield's sin will be equal to the number of people present.*
