For Discussion:

What is Rashi's question on the posuk?

What is Rashi's explanation?

Can you explain the whole Rashi in your own words?

What would you say are the key words and phrases in this Rashi?

Rashi's question on this posuk is based on a word that appears in another posuk. Explain this.

My child was able to explain and discuss these texts well / very well / excellently.

2. In the second Rashi, what is Rashi's 'difficulty' on these words:

**"עלים וירדים"**

and how does he explain them?

3. Tell your family the two ways Rashi explains this phrase:
